## Husch Blackwell Earns Fourth Consecutive No. 1 Ranking on AHLA's Top Honors List

National law firm Husch Blackwell has retained the top national ranking from the American Health Law Association (AHLA) for the fourth year in a row. The Top Honors recognition from AHLA comes after the firm was named the top health law firm by the American Bar Association (ABA).

Recently, Partner Tom Shorter was selected as a 2026 Fellow of AHLA, recognizing his exceptional contributions to health law. The firm also grew its healthcare presence nationally with the addition of two litigators in California, headlined by Gregory Pimstone; and in April, 10 Husch Blackwell attorneys were appointed to AHLA leadership positions.

In addition to topping the AHLA and ABA lists, Husch Blackwell's healthcare team has received numerous accolades over the past year, including national rankings from Chambers USA and Legal 500 United States in their healthcare law categories, and was listed as one of the Top 10 largest healthcare law firms by *Modern Healthcare*.
