Construction Executive magazine has listed Husch Blackwell in its second annual Top 50 Construction Law Firms™ rankings. Overall, Husch Blackwell placed 15th in the rankings. The rankings appear in the magazine's June 2020 issue.

Construction Executive developed the ranking by surveying U.S. construction law firms regarding 2019 revenues from the firm's construction practice; number of attorneys in the firm's construction practice; percentage of firm's total revenues derived from its construction practice; number of states in which the firm is licensed to practice; year in which the construction practice was established; and the number of architecture, engineering, and construction clients served during fiscal year 2019. The ranking was determined by an algorithm that weighted the aforementioned factors in descending order of importance.
