Leach and Busboom Named "Top Lawyers of Omaha" by *Omaha Magazine*

Husch Blackwell is pleased to announce that Grant D. Leach and Benjamin E. Busboom have been named "Top Lawyers of Omaha" by *Omaha Magazine*.

Both attorneys are members of the firm's Energy & Natural Resources group. Leach was named in the "International Trade and Finance Law" category and Busboom was named in the "Environmental Law" category.

To create the list, *Omaha Magazine* contracted with DataJoe Research, a software and company specializing in data collection and verification that conducts various nominations across the United States on behalf of publishers. DataJoe facilitated an online peer-voting process and confirmed that each published winner had, at time of review, a current, active license status with the appropriate state regulatory board. The full list is published in the magazine's July/August 2021 issue.
