Husch Blackwell Guides Centerline in Private Equity Sale

Husch Blackwell served as seller's counsel to Centerline Communications LLC in its sale to Audax Private Equity. The transaction took place in August 2021. The terms of the transaction were not disclosed and provided Audax with a controlling interest in Centerline, which was jointly held by Wincove Private Holdings and Stone-Goff Partners, among other investors, as a result of a 2017 buyout.

Husch Blackwell also served as co-counsel to Centerline on its August 2021 acquisition of Maicom LLC, a network infrastructure firm, from Luxembourg-based investment firm Heritage Holdings.

Partner Kirstin Salzman served as Husch Blackwell's team lead on these transactions, which included Remy Fesquet, Bryce Navarro, Kenyon Briggs and Lizzie Rettinger.
