## Co-author, "Tax Changes Under the Inflation Reduction Act—Impact on Health Care Organizations," *American Health Law Association,* **August 2022**

"The tax changes under the Inflation Reduction Act of 2022 (IRA), signed into law by President Biden on August 16, 2022, may have little effect on the typical health care organization." Read the full article: Tax Changes Under the Inflation Reduction Act—Impact on Health Care Organizations
