Three Husch Blackwell Attorneys Recognized as Rising Stars in Law by *BizTimes Milwaukee*

Husch Blackwell is pleased to announce that three Husch Blackwell attorneys from the firm's Milwaukee office have been named to *BizTimes Milwaukee's* inaugural Rising Stars in Law, which highlights the up-and-coming legal talent practicing at firms in southeastern Wisconsin.

The three Husch Blackwell Rising Stars in Law for 2022 are:

Catarina Colón, a member of the firm's Labor and Employment group, recently co-founded the firm's Workplace Diversity, Equity and Inclusion team, a subgroup of the firm's Labor and Employment practice.

Margaret Heitkamp, a member of the firm's Manufacturing group, includes firm-wide pro bono work for civil rights plaintiffs as a part of her practice.

Emily Stedman, a member of the firm's Technology, Manufacturing and Transportation group, works in commercial litigation and takes part in the firm's NextGen Committee, encouraging younger attorneys to participate in firm initiatives, programming and events.
