ERCOT Schedules Winter Weather Preparedness Workshop

The Electric Reliability Council of Texas (ERCOT) will be hosting a Resource Entity Winter Weather Preparedness Workshop on October 25, 2022, from 8:30 AM to 11:30 AM. It will be held both via WebEx and live in person at 8000 Metropolis Drive, Building E, Suite 100 in Austin.

All Resource Entities with Generation Resources and/or Energy Storage Resources are invited to attend. The workshop will cover the implementation of Phase II weatherization rules under 16 TAC § 25.55 and other relevant information regarding winter weatherization. For convenience attached is the final order adopting the new 16 TAC § 25.55 that will be discussed at the workshop: Part 1 and Part 2.

There is also a market notice which contains additional information regarding the workshop. If you did not receive the market notice on October 13, 2022, please contact your ERCOT Client Representative to make sure you receive these market notices in the future.
