Thomson Reuters Names Three from Husch Blackwell to 2023 Southwest Super Lawyers® and Rising Stars

Thomson Reuters' Southwest Super Lawyers® and Rising Stars 2023 has selected three Husch Blackwell attorneys from the firm's Phoenix office.

Benjamin Kelly, partner, was named to the Super Lawyers list for the first time in Estate & Probate.

Two Husch Blackwell attorneys were named to the Southwest Rising Stars list:

*Courtney Miner – Estate & Probate

Sean Quinn – Health Care

* - First year named to list

Covering more than 70 practice areas, Super Lawyers® is a directory of lawyers who have attained a high degree of peer recognition and professional achievement. Only five percent of attorneys are selected to the Super Lawyers list and two and a half percent are selected to the Rising Stars list in each state. The annual selection process includes a statewide survey of lawyers, independent research of candidates, and peer reviews by practice area. The Rising Star category is for attorneys who are under 40 years old or who have fewer than ten years of legal experience.
