Orlet Contributes to Civil Discovery Practice 2025 Edition

Husch Blackwell partner Joe Orlet co-authored a chapter in the latest edition of the Illinois Institute for Continuing Legal Education's Civil Discovery Practice 2025 Edition. The handbook is a comprehensive guide to rules and procedures for discovery in civil litigation in the state of Illinois. Orlet and co-authors Justin A. Relihan and Carissa Schmidt Munier cover interrogatories in Chapter Four.

Based in St. Louis, Orlet is a member of the firm's Manufacturing and Technology industry groups. He focuses his practice on toxic tort, product liability, mass tort, and class action matters throughout the United States. In the toxic tort and mass tort litigation arena, Orlet has served as national coordinating counsel and as lead trial counsel for multiple-defendant joint defense groups.
