Schnarre, Sullivan Honored in *Missouri Lawyers Media's Up & Coming Lawyers of 2025*

National law firm Husch Blackwell is pleased to announce that *Missouri Lawyers Media* has named St. Louis-based attorneys Alex Schnarre and Elisa Sullivan as 2025 Up & Coming honorees. This recognition is awarded to young attorneys who are making a positive difference in the practice of law in Missouri and whose contributions have put them on track for success.

Schnarre represents clients in commercial disputes in state and federal courts across the country. She has worked in federal jurisdictions from coast to coast, defending clients from all of the firm's industry groups, and has developed a particular focus on intensely document-heavy cases.

Sullivan advises clients on labor and employment matters. With a strong emphasis on advice and counseling, she navigates complex employment issues to provide strategic guidance tailored to each client's unique needs. She regularly handles cases involving allegations of employment discrimination and retaliation, as well as matters related to restrictive covenants, including non-solicitation and non-competition agreements, and wage and hour class actions.

The 2025 honorees will be recognized at an event on Thursday, October 9.
