OVERVIEW

In providing comprehensive estate planning solutions, Michael ensures clients' affairs are in order and the financial future of their loved ones is secured.

Michael applies more than 25 years of experience in his national practice, concentrating on sophisticated estate planning, business succession planning and tax planning for high-net-worth individuals and business owners. His practice also includes estate and trust administration, charitable planning, asset protection and corporate law.

Clients consider Michael to be a true trusted advisor, looking to him for guidance on their most personal business and family matters. He is passionate about creating practical resolutions for clients that make sense and provide peace of mind.
