## Case Study

### TricorBraun

## Experience

- Represented Priority Plastics Inc. in its 2012 acquisition of CCW Products Inc. (d/b/a Saffer Plastics) of Arvada, Colo., manufacturer of more than 300 different types of federally approved clear, wide-mouth plastic jars for use in the candy, meat snack, beef jerky, hardware, crafts and pet food industries.
- Advised the East St. Louis, Ill.-based Casino Queen Inc. in the \$170 million acquisition of the company by its employees. Transaction in 2012 was a first in the gaming industry.
- Advised and assisted TricorBraun Inc. – a designer and supplier of rigid packaging products and components with sales approaching \$1 billion – during a 2012 recapitalization, proceeds from which were used to refinance existing debt, repurchase equity, issue a distribution to investors and support ongoing growth initiatives, by securing a new \$555 million credit facility from GE Antares Capital and UBS AG.
- Advised and consulted TricorBraun during the 2012 acquisition of Trilogy Glass and Packaging Inc., headquartered in Santa Rosa, Calif., a supplier of glass bottles to the wine industry and now a part of the TricorBraun WinePak division.
- Advised and consulted TricorBraun during the 2011 acquisition of Penn Bottle and Supply Co., a Philadelphia, Penn.-based distributor of packaging solutions, including containers, closures and related components, serving the food, healthcare, industrial, personal and cosmetics end-markets.
- Directed the 2008 mergers of Fortco Plastics and Sho-Me Container and their subsidiaries and the formation of Priority Plastics as the successor company.

## Experience

- Represented TricorBraun in the 2007 acquisition of Independent Packaging Inc. (I-PAK), a rigid packaging distributor based in Quincy, Mass., that distributes a broad range of plastic, glass and metal containers and a variety of closures to numerous end markets, including food, chemical, paint, pharmaceutical and industrial.
- Represented clients in the preparation and negotiation of agreements with vendors and suppliers regarding the procurement and sale of various goods and services including:
  - The design, manufacturing and distribution of rigid packaging containers for food, wine, beverage, pharmaceutical, healthcare, personal care, cosmetic, pet/animal care and industrial end-markets.
  - The design, production and distribution of labeling services.
