OVERVIEW

Through her detail-oriented nature, Theresa assists clients in complex, high-stakes commercial litigation matters to prepare customized strategies that meet specific business goals.

Analytical and meticulous, Theresa focuses her practice on commercial disputes. She primarily represents clients in the technology, manufacturing, and transportation industries, in addition to healthcare and university clients. Her cases involve significant business risks of great consequence.

Theresa handles all stages of litigation. Through comprehensive case law analysis and fact investigation, she regularly prepares pivotal motions crucial to the successful outcomes of the case. Theresa also advocates for clients in the courtroom and recently won an appeal before the Missouri Court of Appeals for the Eastern District.

Theresa primarily focuses on breach of contract cases and excels at delving into the contractual provisions to determine possible remedies. Her exceptional skills serve corporate clients in lawsuits and arbitrations nationwide.

Theresa understands that every client defines winning differently. She works closely with clients to develop tailored and creative strategies to meet their goals. Through her strong intuition and calm demeanor, Theresa builds effective and lasting partnerships with clients.
