OVERVIEW

With over 20 years of experience in the higher education sphere, Lisa is a highly knowledgeable consultant and a recognized professional in the field of federal student aid.

Throughout her career, Lisa has guided colleges and universities through complex challenges, leveraging her understanding of the regulatory landscape. As a trusted advisor, she provides practical solutions tailored to each institution, ensuring compliance and fostering success.

Lisa's role as a higher education consultant allows her to collaborate closely with college officials, offering invaluable insights and guidance. Her deep knowledge encompasses a range of areas critical to higher education, including Campus Safety and Security responsibilities (Clery Act), Higher Education Athletics, Institutional Eligibility, and Title IV Administration.

With a comprehensive understanding of the complexities involved, Lisa navigates the intricate compliance requirements with finesse. Her keen eye for detail and commitment to excellence make her an invaluable resource in addressing these specialized areas of higher education.

Lisa's extensive experience also extends to conducting thorough student aid audits, uncovering potential issues, and advising institutions on effective corrective actions. During federal program reviews, she plays a vital role in evaluating findings, facilitating clear communication with regulators, and estimating potential financial liabilities. Whether
