

Blake Rooney

CHIEF INFORMATION OFFICER

KANSAS CITY, MOPHONE: 816.983.8000

OVERVIEW

Blake delivers cutting-edge data security to clients, attorneys and staff.

Blake Rooney works with the firm's innovative technology and legal teams to deliver technology that increases efficiency and improves the client experience. Blake collaborates closely with leading AI providers like Microsoft and Thompson Reuters, and actively participates on various industry advisory boards. With over a decade of experience as a director of legal information technology, Blake's guiding principle is to provide best-in-breed technology that allows attorneys and firm professionals to work securely, efficiently, and flexibly.

Blake also serves as an executive sponsor of the firm's HB B.L.A.C.K. Employee Resource Group.
