Healthcare Regulatory & Compliance Counseling

- Integrations and restructuring
- Contract management policies and procedures

She enjoys working closely with clients to collect and streamline contract reviews and large volumes of contract data. On behalf of clients, Peggy customizes process management systems using frameworks, policies and contract templates. She reviews clients' existing systems and suggests best practices for proactively and cost-effectively handling contract review and corporate data.

She has also navigated a variety of deals, both big and small, including sophisticated billion-dollar deals as in-house corporate counsel for a national manufacturer and transactions for healthcare systems and groups launching, maintaining or growing their business. Peggy is appreciated for her ability to see both the details and the big picture, allowing healthcare clients to focus on patient care while she acts as a legal business partner.
